

Boxy Privacy Policy

Last Updated: 2026-04-29 (To be updated before launch) **Effective Date:** 2026-05-28

 This is a **template**. Verify before launch: 1. Business information accuracy ([Mound] / [Jeki Baek] / [709-09-03510]) 2. SDKs match actual implementation (AppLovin / AdMob / Firebase / AppsFlyer) 3. GDPR / CCPA compliance — recommend legal review before launch 4. Hosting: GitHub Pages / Notion / business domain

1. Information Collection Purpose

Mound (the "Company") operates the mobile game "Boxy" (the "Service") and processes personal information for:

- 1. **Service Provision:** Game progress save, level unlock management
- 2. **Advertising:** Rewarded / interstitial ads (AppLovin MAX, Google AdMob)
- 3. **Payments:** In-app purchases (Google Play Billing, Apple App Store)
- 4. **Analytics:** User behavior analysis for service improvement (Firebase Analytics)
- 5. **Attribution:** Install source tracking (AppsFlyer)
- 6. **Crash Diagnostics:** Crash report collection (Firebase Crashlytics)
- 7. **Customer Support:** Email inquiry responses

2. Information Collected

The Company collects the following:

Required (essential to use service)

- **Device identifier** (advertising ID — IDFA on iOS, GAID on Android)
- **Game progress data** (current level, stars earned, items used) — stored locally on device only
- **Crash logs** (when crashes occur)

Optional (with your consent)

- **Personalized ads** (when you explicitly consent via ATT/UMP popup)

Not collected

- Real name, address, phone number, social security number
- Photos, contacts, location, microphone, camera
- Payment information (handled directly by Apple App Store / Google Play)

3. Retention Period

- **Game progress:** Stored locally on device. Deleted when you uninstall.
- **Advertising ID:** Per AppLovin / AdMob retention (typically 90 days)
- **Analytics data:** Per Firebase retention (60 days for events, 14 months for user-level)
- **Crash logs:** Per Firebase Crashlytics (90 days)
- **Email support:** Stored only for inquiry-response cycle, then deleted

4. Third-Party Sharing

The Company does NOT sell personal information. Information is shared only with:

Party	Purpose	Data Shared
AppLovin MAX (Ad mediator)	Ad serving	Advertising ID, app version
Google AdMob (Ad network)	Ad serving	Advertising ID, country
Apple Sign-In / Google Play Billing	Payment	Transaction ID (no payment data)
Firebase (Analytics + Crashlytics)	Analysis + diagnostics	Anonymous events, crash stack
AppsFlyer	Attribution	Advertising ID
Apple Inc. / Google LLC	Platform-required	App Store / Play Store standard data

5. Your Rights

You may at any time: 1. **Withdraw consent:** Settings → System → Reset Advertising ID (iOS / Android) 2. **Delete data:** Uninstall app to remove all local data 3. **Disable ads tracking:** iOS Settings → Privacy →

Tracking → Boxy Pack OFF 4. **Inquire / report:** Email to dugout26.gm@gmail.com — response within 14 days

6. International Transfers

Data may be transferred to: - **United States** (Firebase / Google Cloud — Google adequacy decision) - **Singapore** (AppsFlyer Asia-Pacific region) - **United States** (AppLovin / iAB Tech Lab)

EU users: Standard Contractual Clauses (SCCs) per GDPR Article 46.

7. Children's Privacy

Boxy is rated **All Ages** on Google Play Store and **4+** on Apple App Store. We do NOT collect personal information from users under 13 (COPPA) / 14 (Korea PIPA).

If we learn we have collected data from a child under that age, we will delete it immediately. Parents may contact us at dugout26.gm@gmail.com to request data deletion.

8. Security Measures

- All data transmitted via HTTPS (TLS 1.3)
 - Apple Keychain / Android Keystore for local secrets
 - No personally identifiable information stored on device beyond OS-managed advertising ID
 - Server-side: AppLovin, Firebase, AppsFlyer all SOC 2 / ISO 27001 certified
-

9. Changes to This Policy

We will notify users of material changes via: 1. In-app notice on next app launch 2. App store description update
